An aerial photograph showing a vast, flat landscape with a grid-like pattern, possibly a desert or agricultural land. In the foreground, the dark, metallic surface of an airplane wing is visible, extending from the bottom center towards the right. The sky is a clear, pale blue. A yellow thought bubble with a black outline is positioned in the lower right quadrant of the image. Inside the bubble, the text "Nos vemos en Cordoba!" is written in a black, serif font. The bubble has three smaller circles leading down to its base.

Nos vemos  
en  
Cordoba!
